

Dr Vanita Ahuja  
Professor  
Anaesthesia and Pain Medicine  
Government Medical College and Hospital  
Chandigarh, India

Myself, Dr Vanita Ahuja is working as a faculty in a tertiary care Hospital in India since 2009. I am member of Indian Society for the Study of pain (ISSP) since 2004 and IASP (membership number is 87416). My areas of interest are chronic pain, cancer pain and palliative care. My research work has been published in Pain Physician, Pain Medicine, Anaesthesia, Acta Anaesthesiologica Scandinavica, Anaesthesia. and British Journal of Anaesthesia. I am recipient of ISA-IJA Best reviewer award, ISACON 2016, “IASP ISSP Multidisciplinary Evidence-based Pain Management Program” New Delhi in 2017 and Fellowship of the Indian Academy of Pain medicine (FIAPM) conducted by Indian Academy of Pain Medicine, ISSP, New Delhi, India and Certificate Course in Essentials of Palliative Care, August 2017 Indian Association of Palliative Care, India. My clinical experience in pain includes running pain and palliative care clinic in my hospital, attended Pain management observership at Terre Haute, Indianapolis, USA and Interventional pain management observer-ship at IMS, Banaras Hindu University, Varanasi, India. I have completed the IASP-ISSP Pain management program, New Delhi and Palliative Care Training Program for Cancer Treatment Centers in India. The cancer training was conducted by All India Institute of Medical Sciences (AIIMS) in collaboration with the Asia Pacific Hospice Palliative Care Network (APHN) to provide a Palliative Care Training Program aimed at Cancer Treatment Centres (CTCs) in India, March 2017-July 2017. My scientific work includes approximately 25 funded and non-funded projects as principal investigator and approximately more than 90 publications with 450 citations and 5 book chapters. My work has received more than 15 awards at prestigious platforms like ISSP, ISA and zonal conferences in India. I look forward for your support and blessings. Thanks, and regards.
