Dr. PRATIBHA MATCHE

MBBS, DA, DNB, FIPM, FIAPM, CCEPC

Head of Pain Medicine unit in the Department of Anesthesiology, Pain Medicine and Critical care, JSS Medical College Mysore, Karnataka, India. She is instrumental in setting up a dedicated Pain and Palliative Care unit with state-of-the-art facilities at JSS Medical College hospital, the only medical College in the state of Karnataka. She is the Coordinator and Program head for IAPM affiliated and JSS University fellowship in Pain Medicine at JSSMC, Mysore.

She has a vast administrative experience in ISSP being ISSP GC member for 3 years, IAPM GC member for 3 years. She was also selected as the Acting Registrar of the Indian Academy of Pain Medicine for 2 years. During her tenure she has brought many changes for the growth of academic wing of ISSP. She started regular academic classes for IAPM fellows through a virtual platform during the epidemic covid-19. She worked for raising the standard of the FIAPM entrance and exit examination. FIAPM Examination manual was revised during her tenure.

She is a regular faculty at various State and National Pain conferences. She has presented several papers at national and international forums. Under her guidance several awards have been bagged by her students for paper presentation.

PROFILE

She has graduated from B.J. Medical College Pune in 1993 and completed her Post graduation in Anesthesiology from Nair hospital Mumbai in 1996. She is a Fellow of Indian Academy of Pain Medicine (FIAPM). She has joined JSS Medical College Mysore in 1997 and has 27 years of clinical as well as teaching experience in Anesthesia with passion for Pain Medicine.

She started her pain practice in 2009 after getting trained in Interventional pain management and Palliative care from various prestigious institutions in India. Currently she is exclusively practicing Pain. She is instrumental in setting up dedicated Pain and Palliative Care Unit at JSS Medical College Hospital, Mysuru that serve the rural population and the patients of low socioeconomic standing. She is the first one to start one-year structured Pain fellowship in JSS Medical College in the state of Karnataka. She is the Coordinator and Program head for IAPM affiliated and JSS University fellowship in Pain Medicine at JSSMC, Mysore. She is a hardcore academician and dedicated teacher. Under her mentorship two of her fellows have received a gold medal in FIAPM.

To create awareness about Pain Medicine she puts a lot of effort into educating undergraduate and postgraduate students about pain management. She is a cofounder of the hybrid course "Pain Medicine as Career Option by PRASHA" which provides guidance to the doctors interested in Pain Medicine.

She has worked in various capacities for ISSP at State & National level. She has organized many CMEs, Workshops and conferences in chronic pain. She is a regular faculty for all the Pain Conferences, and she has several publications and book chapters to her credit.
